Special Instructions: Itinerary is subject to change due to whether and time. all students are responsible for keeping track of their gear and belongings. If you loose scuba gear .... you buy it.... so take care of it (rinsing, drying, packing away)
Everyone must pitch in and carry out assigned duties at each dive site and during each activity in order for this trip to run smoothly. Pitch in, look around for something that needs to be done and do it without having to be asked.
